Executive Summary

1 What is SAMS?

SAMS stands for **S**tudents **A**cademic **M**anagement **S**ystem. In this system, students are admitted on-line into +2 and +3 classes of Arts, Commerce and Science streams. This admission process, which is carried out through internet and computers is called as e-Admission. Besides e-Admission, SAMS also maintains the academic and financial records of each student admitted into different colleges.

This initiative was started during the academic session 2009-10 in 60 Junior Colleges, expanded to 169 Junior Colleges (+2) and 53 Degree Colleges (+3) during the session 2010-11 and to all Junior Colleges (including +2 Self Financed Colleges) and 162 Degree Colleges (+3) during the session 2011-12. Then in the next session 2012-13 all Junior & Degree/Autonomous Colleges (including Self Financed Colleges) of the state came to the SAMS fold. And in the ongoing session 2013-14 also all Junior & Degree/Autonomous Colleges (including Self Financed Colleges) of the state have been approved by the Govt. to be in SAMS.

2 Objective

The objectives of SAMS are to;

- ✓ Ensure single window system for admission through e-Admission process
- ✓ Make the admission process economical
- ✓ To make the entire admission process transparent, thereby reducing the anxiety of applicants/parents regarding selection.
- ✓ Reduce the work load of college by developing several modules of administration using the database of admission process and thereby improve services to the students.

3 Components of SAMS

There are two components of SAMS: e-Admission & e-Administration;

3.1 e-Admission

e-Admission aims at successful use of Information Technology to make the admission process simple, economical, fast and transparent. This process is accomplished by the use of Computers and Internet.

An eligible applicant have to apply **ON-LINE** through www.dheorissa.in (by filling up required personal and academic information, choices of different colleges and streams in order of preference and others), take print outs of the computer generated application form (**College Copy & Applicant Copy**) and travel to the nearest **SAMS Resource Center (Annexure-1)** to submit the application. The college authority would keep the College Copy of the application form along with the relevant documents and return the Applicant copy with a Money Receipt-cum-Index Number to the applicant.

3.2 e-Administration

e-Administration uses the admission database for issue of College Identity Cards & Library Cards, record of fees collected from the students, allocation of subjects and sections, Preparation of Long Roll Register and Return of Matriculates, Maintenance of students attendance, Tabulation of college level examination marks, issue of College Leaving Certificates etc. This would improve efficiency, saves precious time of college authorities and ensures dissemination of correct information and services to all its stake holders.

3.3 Colleges under SAMS 2013-14

Basing upon the successful completion of e-Admission process during the session 2009-10, 2010-11, 2011-12 and 2012-13 it has been decided to implement the same in all Junior Colleges and Degree Colleges including Self Financing (Junior & Degree) Colleges during this academic session of 2013-14. The list of Junior Colleges, available streams and subjects are published in the official website of Higher Education Department (www.dheorissa.in). The list of Self Financing (Junior) Colleges is given at **Annexure-10**.

4 Features of SAMS

4.1 Common Prospectus (CP)

Common Prospectus is a booklet, which outlines the details of e-Admission process, relevant information of different Junior Colleges and other procedures. The CP is available in the official website of the Department of Higher Education, Government of Odisha www.dheorissa.in in downloadable format to take printouts.

- A. The first part of CP will have features of e-Admission like General Guidelines, Selection Principles, Reservation & Weightage matters, etc. The booklet which you are reading now is the first part of CP.
- B. The second part of CP describes individual college profiles, like Seat Availability, Subject Availability, Elective Combinations, College Admission “Cut-off” marks of last 2-years for various streams, Hostel Seat Availability, Total fees required for admission, etc. The second part of the CP is available in the website under “College Profile” link.
- C. No printed copy of the CP would be available for the current academic session 2013-14. Only its English version would be available in the website www.dheorissa.in. Applicants may download it from the internet and print the same for their use.

4.2 Common Application Form (CAF)

The CAF has been so designed that, an applicant can apply to any of the 1353 Junior Colleges of the State in one form. An applicant has to fill it up ON-LINE by logging into the website of Higher Education Department, Government of Odisha www.dheorissa.in. An applicant can exercise up to six choices of college & stream in order of preferences where one would like to study.

Furthermore, If an applicant passed from a high school that is coming under Board of Secondary Education (BSE), Odisha in the Annual High School Certificate (HSC) Examination 2013 only, then he/she needs to input his/her Examination Roll Number at the right place after selecting “Name of the Board” and “Year of Passing” and wait till the marks are shown to him/her on the CAF. Again if he/she agrees with the shown marks, then he/she has to confirm it by clicking on ‘Yes’ button or else on ‘No’ button just to allow self to enter the actual marks at **point # 9. a.** of the CAF. However, other information like Parents’ names, Correspondence and Permanent Address, Reservation and weightage details etc. are to be entered in the appropriate box of the on line form. The sample copies of on-line CAF & Instructions to fill it up are given in **Annexure-2**.

N.B. - Applicants being passed from other than Annual HSC Examination 2013 shall not avail the above facility. They have to fill in all necessary fields of their own.

From the past experience, it is seen that about 40 to 50% of applicants who get selected for admission to their first option college/stream had given only one option in last two years. This shows that cut-off marks of last 3 years are very crucial to take decision in choosing your options of stream and college.

4.3 On-Line Application

As mentioned earlier, an applicant has to fill the relevant information in the CAF on computer screen and submit it on-line. **Mere applying on-line CAF in the Internet will not be sufficient for e-Admission.** Then he/she has to take print outs of “**College Copy**” and “**Applicant Copy**” of the filled in CAF. The applicant and his/her parents or guardian must put their signatures at the appropriate places of the college copy. Then the applicant shall deposit both the copies of CAF and relevant documents and fees at the nearest SAMS Resource Centre (**Annexure-1**). The receiving official at the SRC shall verify the documents and return the “Applicant Copy” to the applicant with a “**Money Receipt-Cum-Index Number**” written on it.

4.4 Selection Process

After the applicants submit their college copies, those shall be validated at the **SAMS Resource Center** by team of validators. Once the validation is complete, the software shall process all applications and finalise the 1st selection list for each of the colleges as per the merit and choice of the applicants. The selection list shall be published on the pre-determined date.

The selection list and the intimation letters for selected applicants shall be made available in the website. Besides, an applicant can download and print his/her intimation letter directly from the website after receiving a notification on his/her mobile number (if provided in the CAF) and take admission at the particular college on the date mentioned there in.

Based upon the 1st selection admission data, the 2nd selection list shall be generated on-line. A selected applicant can get the intimation letter directly from the website, as mentioned earlier. After the 2nd selection admission is over, selection list of SC/ST Extension Seat Admission shall be generated. This list shall be generated only for those colleges, for which there are substantial number of SC/ST applicants, who fail to secure admission elsewhere.

The next phase of admission shall be Balance Seat Admission (for the residual seats and popularly known as **Spot Admission**). Merit lists for each Junior College, shall be posted on the website www.dheorissa.in. No. of applicants in these lists for each college shall be limited to a maximum of 5 times the number of seats remained vacant after the second selection admission.

4.5 Intimation Procedure

Intimation will be sent to the selected applicants in different modes outlined in the following table during various phases of Admission

Sl#	Mode of Intimation	First Selection	Second Selection	SC/ST Extension Seat	Balance Seat (Spot) Admission
1	SMS	✓	✓	✓	X
2	e-Mail	✓	✓	✓	X
3	Website	✓	✓	✓	X
4	College Notice Board	✓	✓	✓	✓
5	Toll Free (155335) Sanjog Helpline	✓	✓	✓	X

4.6 Admission / Slide-up

For these four phases of admission **(a) First Selection Admission (b) Second Selection Admission (c) ST/SC Extension Seat Admission (d) Balance Seat (Spot) Admission** (for residual seats); the merit lists in respect of each Junior College shall be provided by the SAMS Steering Committee in the e-Space of respective colleges. The SRC should download these lists immediately, take printouts and notify them in the respective college notice boards.

The selected applicants have to take admission directly at the Destination College / SAMS Resource Center on scheduled date and time mentioned in the intimation letter. Junior Colleges, which don't have internet facilities, have been tagged to nearby SAMS Resource Centers. Those colleges can update their admission details at the SRC. Self Financing Junior Colleges shall not be tagged to any SRCs. They will set up their own SAMS Lab and do the admission and update the relevant information in the e-Space. **However, these Self Financing Junior Colleges shall not receive or validate the CAFs.**

The selected applicants have to take admission directly at the Destination College on the scheduled date and time mentioned in the intimation letter.

Students who take admission against lower options in the 1st selection and want to continue in that college, have to give an undertaking in a form (Annexure-7), so that their cases shall not be considered for sliding up during the 2nd selection. If they do not do so at the time of

admission, it may be possible that their names would be slide up to their higher options and removed from the 1st selection college. **In that case, it would become compulsory for them to take admission against their higher option Junior College / Stream. They cannot remain in the 1st selection Junior college which is their lower option if they didn't give undertaking as per Annexure-7.**

4.7 Predetermined Dates

SAMS operates through pre fixed dates for all its activities. It helps in creating awareness and transparency & timely completion of activities. These dates have been finalized keeping in view publication of High School Certificate Examination conducted by BSE (Odisha), CBSE (New Delhi) & ICSE (New Delhi).

6 Principles of Selection

- 6.1. **Eligibility:** The minimum eligibility for admission to +2 or higher secondary classes shall be a pass in High School Certificate (HSC) Examination of the Board of Secondary Education (BSE), Odisha or its equivalent. The list of Equivalent Boards is given at **Annexure-3** of the CP.
- 6.2. Admission into various Streams & Colleges shall be done strictly on the **basis of merit**.
- 6.3. Marks secured at the 10th Board Examination out of the Total Marks, Weightage & Reservation (if applicable) will be taken into consideration in preparing the merit list. **For Reservation & Weightage please refer items 9 & 10 of the CP.**
- 6.4. In case of candidates passing the HSC/HS/equivalent examination compartmentally, average of marks secured in the subject/s concerned at both the examinations shall be taken into consideration to determine the aggregate.
- 6.5. For applicants who have secured equal marks in the 10th Board examination and have opted for same college & stream, their merit will be decided on the basis of marks in English/Social Studies for Arts and Mathematics/Science for Science & Commerce Streams. (Govt. Order No.: 57823, Dated: 24.10.2000).

For Example:-

If there are two applicants who have opted for one college and one stream and have same marks in HSC examination, then if it is for Arts stream, then the applicant who has more marks in English will get preference. If English marks of both applicants are also same, then marks in Social Studies will determine the selection. For Science & Commerce Stream, Mathematics & Science marks will be the deciding factor in similar sequence.

- 6.6. Any applicant, if selected, will be given only one confirmed seat according to his/her choice of preferences in CAF in the intimation letter after 1st selection.
- 6.7. Status of the higher choices of preference in the CAF will also be intimated (Please see **Annexure-4** which shows sample copy of Intimation Letter).

- 6.8. If an SC/ST applicant gets selected for his/her 1st choice of preference as per the CAF, then his/her name won't be considered for other choices of preference in the SC/ST Extension Seat Selection.
- 6.9. If an SC/ST applicant gets selected against any choice other than 1st preference in 1st selection, s/he will be considered for higher preference choices in the SC/ST Extension Seat Selection.
- 6.10. SC/ST students who take admission against lower options in the 1st selection may slide up during SC/ST Extension Seat Selection and got their higher choice college/stream. But some students may want to continue in the 1st selection college which is their lower preference. Such students can exercise an option (by giving an undertaking) for not to be part of SC/ST Extension Seat Selection, at the time of 1st selection admission. A sample format of the undertaking is given at **Annexure-7** of this CP.
- 6.11. In case a SC/ST student admitted against any lower choice of preference but gets higher choice during SC/ST Extension Seat selection, then s/he can take transfer to the college of his/her higher choice without forfeiting the deposited college fees except ₹ 100/- towards processing fees. The balance amount after deducting ₹ 100/- is to be given directly to the applicant or guardian on the day when he/she is taking CLC in shape of Cash / Bank Draft / Cheque by the college authorities issuing CLC.
