

# LA panel: Distribute 676 SHCs on 50:50 basis in Kashmir, Jammu

UMER MAQBOOL

**Srinagar, July 4:** Attempting to ensure uniformity in allotment of infrastructure in the vital health sector, a panel of the Legislative Assembly has recommended that 676 Sub Health Centres (SHCs) sanctioned by the Centre for Jammu & Kashmir should be distributed on 50: 50 basis among Kashmir and Jammu regions.

The panel also directed the State's Health Ministry to submit the proposal for allocating 338 SHCs for both the regions to the Union Health & Family Welfare Ministry. The House Panel, which

was constituted earlier this month to look into the issue of irrational distribution of health centres, has finally recommended that the 676 health centres shall be distributed equally in Kashmir and Jammu regions. This was decided in the second meeting of the panel held here since its constitution.

Sources privy to deliberations of the panel revealed to *Greater Kashmir* that all the legislators, cutting across the party lines, censured the government for "inequitable and unjust" distribution of the health centres.

"The legislators of both National Conference and

Peoples Democratic Party were on the same page over the issue during the meetings," they said, adding, they pointed out that the injustice shouldn't have been done to Kashmir but the same shall be reversed by ensuring equal distribution of health centres among both the regions.

"There was census among the lawmakers that widespread discrepancies and disparities exist in the allotment of the health centres. The proposal of allotment is flawed and full of wrongs," they disclosed.

"How can Rajouri get 69 centres and Poonch only 37 when topography of both the regions is uniform? This is a

defective proposal," a legislator, according to sources, remarked during the second meeting of the panel.

Earlier in its first meeting, the panel, as already reported by this newspaper, had suggested that the health centres shall be distributed uniformly in each Assembly segment.

When contacted, LA Speaker Mubarak Gul said the government has to implement the recommendations of the panel. "It is for the government to decide on the suggestions mooted by the Committee," he said. The panel was constituted by the LA Speaker after opposition parties, particularly PDP, raised

the issue of discrimination against Kashmir in allotment of health centres during the last session of the Legislature held in Jammu.

As already reported, of the 676 health centres, Jammu was allotted 429 while Kashmir got only 247 centres.

In Kashmir region, Srinagar got none; Ganderbal 16; Anantnag 39; Kulgam 11; Pulwama 14; Shopian 10; Baramulla 45; Kupwara 38; Budgam 24; Bandipora 14; Kargil 18 and Leh 18.

Of 429 centres in Jammu region, Jammu district got 29; Kathua 56; Udhampur 40; Doda 55; Rajouri 69; Poonch 37; Samba 11; Reasi 49; Ramban 40 and Kishtwar 43.

## IGNOU makes big inroads in JK education system

MUKEET AKMALI

**Srinagar, July 4:** With Kashmir valley presenting limited opportunities for educated youth to seek higher education due to less intake capacity at Kashmir University, Indira Gandhi National Open University (distance mode) is making inroads in the education system here in a big way.

A comparative analysis of student enrolment at IGNOU regional centre at Srinagar during last 14 years reveals that the distance mode of education offered by it has gained popularity among youth seeking education mostly higher education such as post graduate courses, research programmes etc.

As per data of IGNOU regional centre Srinagar, since the operation of IGNOU here from 1999, the distance mode of education has gained much prominence with number of admissions in var-

sity increasing each passing year. According to IGNOU data, in 1999, there were only 2230 enrolled students, which increased to 3603 in 2000.

In 2001, the number jumped to 8314. However in 2002, the student enrolment somehow declined to 6630.

In 2003, the students enrolled in various courses at IGNOU regional centre in the summer capital was recorded at 7190. However, 2004 further witnessed decline in number of admissions, as the IGNOU recorded student enrolment of 6642.

In 2005, the number was 10671 which further decreased to 6555 in 2006. However, in 2007 the number of students rose to 8645. In 2008, for the first time, the number touched 10000 mark with the admissions in the year recorded at 10,417.

In 2009 and 2010, the numbers were 11,441 and 10,332 respectively. The 2011 saw student numbers further increased to 11,129 which

swelled to 14,775 in 2012.

The current number of students which was registered in 2013 stood at 18,243.

Experts attribute two factors to the success story of IGNOU in Kashmir. They say that the limited intake capacity at Kashmir University in post graduate courses is one reasons and the other being that many students in Kashmir due to financial constraints are not in a position to seek education via regular mode of academic procedures, that is why they join distance courses.

Director IGNOU Regional Centre Srinagar, Dr Nurul Hasan told *Greater Kashmir* that number of students seeking admissions in various courses of IGNOU is increasing rapidly in Kashmir.

"We are offering 125 courses in various streams with 38 study centre to live upto the expectation of the students in Kashmir," Hassan said.

## JKLF hits out at Khurshid Alam

**Srinagar, July 4:** Castigating former trade union and senior PDP leader, Khurshid Alam for his statement, Jammu and Kashmir Liberation Front (JKLF) Friday accused him of "looting lakhs of rice bags from the Food and Supplies department."

In a statement, senior JKLF leader Noor Muhammad Kalwal, reacting to statement of Khurshid Alam in which he had claimed he 'never used any pro resistance platform', said, "If it was true then why he along with many other employee leaders indulged in expelling Ishtiaq Qadri dubbing him as an enemy of resistance movement." "A new trend has been started by some pro-India parties in Kashmir for some months. If any resistance leader issues a statement against PDP, they say that it is a conspiracy of NC. If statement is against NC, they dub it as pro-PDP. For resistance lovers PDP, NC and all those who side with India are enemies of Kashmir," he said.
