

IS ANYBODY LISTENING ?

Begging menace

This refers to the professional beggars, on prowl in length and breadth of Srinagar limits particularly near shrines, mosques, temples, educational institutions, hospitals/ primary health centres, petrol filling stations and amusement parks. Whosoever comes across their eyes is compelled to pay something. People are totally confused how to get rid of this trouble. No doubt a human being has to extend a helping hand to deserving persons like orphans, destitute, physically challenged or mentally retarded, but not those who can easily manage their livelihood but are habitually indulged in such unwarranted profession. Time demands that both state administration and the people should collectively uproot disease from the valley.

Network problem

We, the people of Habbipora, Shopian have a problem with the signal strength of Reliance network. We appeal to the Reliance authorities to rectify the system in our area as despite many requests, the low network problem seems not to abate. We request Reliance authorities to increase the range of tower so that at least our area can be kept within range.

Power cuts

We, the residents of Sundipora Budgam are facing problem of regular power cuts. Sometimes it remains continuously off for days together. We appeal to the concerned authorities to look onto the matter of frequent power cuts to our area so that this issue is tackled forthwith.

Canal Avenue

This refers to a very narrow and weak bridge that is connecting Bagh-e-Mehtab with Rawalpura via Canal Avenue. There is a board installed on both sides of Canal Avenue, displaying: "Bridge unsafe for heavy vehicles-R&B Chadoora." But in spite of this, the trucks/tippers loaded with bricks, soil and sand ply through the Avenue all through the day. The movement of trucks and tippers on this route puts the life of school going children in danger. Recently a barrier for heavy vehicles has been erected on one side of Canal Avenue but still the tippers ply through the bridge taking an alternate route via a by-lane which leads to Canal Avenue and as a result the tippers now move in the interiors thereby posing a greater threat to life. We appeal the concerned officials to stop this and spare us from any untoward incident.

Kangan's woes

This refers to the life here in our villages that indicate our still living in ancient era when people used to live under rule of jungle, where there were no roads, no connectivity, no sanitation, no bridges. Kangan market has turned into a garbage dumping site and dog menace has touched the heights. Despite being a Tehsil, the main market has no proper sanitation facilities. The villages near forests are still connected partially as there are temporary bridges over life threatening River Sindh. We, the residents of the area appeal government to devise a comprehensive development plan for the Tehsil.

Class IV posts

This refers to the class IV posts advertised by the Handicrafts department in 2011 for which

interview was conducted in the same year. But unfortunately till date the final selection list hasn't been published.

We, the aspirants appeal to the State Chief Minister to kindly look into the matter personally and ask the concerned minister and the department to publish the final list as soon as possible, because we aspirants are smelling rat in the unnecessary delay.

Why delay

This refers to the district health society Bandipora which has advertised various paramedical courses in February 2014. However, till date no selection has been made. Even in the same month other districts also advertised same posts but made selections two months ago. We appeal to the Health Minister to intervene to stop the delay.

Damaged road

This refers to village Tujan of district Pulwama where a link road through Aparipora to main road which connects to Chadoora, is in deteriorating condition. Pits are seen everywhere besides stones left unlevelled, creating a lot of problems to the native people particularly drivers to drive over it. We hope concerned authorities will approach the matter and solve it at an earliest.

Shops please

We, the shopkeepers of Kashmir Haat are not being given shops as our shops were demolished with the promise that we would be given new ones in the new Kashmir Haat Complex. Our families were dependent on the income from those shops. We request the government to take a quick action on the matter and allot us shops as quick as possible.

Bus service

This refers to the poor bus service from Qasbayar to Pulwama via Shadimarg. We, the students of Degree College Pulwama from Qasbayar and Shadimarg are facing lot of problems while travelling at least 20 kms. There is only one small bus which plies to Achgoza and passes through Qasbayar.

Apart from this, no bus service is available for we people. There is sumo fare daily as we are going to study not to duty. We appeal to the ARTO Pulwama to please direct transporters to run one more bus to the Qasbayar in the morning and evening so that we can reach colleges, schools in time.

Qasbayar, Pulwama

Poor signal

We, the inhabitants of village Agroo (Devsar) of Kulgam district are facing network problem, especially in Airtel. Besides Airtel,

we need strong signal in the network of Airtel, Idea, Vodafone and Reliance. We request the concerned authorities to launch a tower in our village so that our woes are redressed.

Power crisis

We, the people of Shairpora Tujar Sharief want PDD officials to pay attention to our grievances. Our area is reeling under darkness for more than three months and nobody is bothered about solving our issue. We are paying fee without having what we pay for even in festive nights. The PDD higher ups are requested to kindly look into the matter and sort out our problem.

Shalina school

This refers to Government Central School Shalina which was

Pesky road

This is the condition of roads in our locality Mohalla Syed Afzal. It is difficult to travel on it and people hardly manage to walk on the pebble-strewn road. The State Chief Minister is requested to take cognizance and order action.

established in 1964 as Primary School. However, after passage of 50 years, the school witnessed no upgradation. We, appeal to the concerned Minister to look into the matter as the locals are suffering a lot while admitting their wards in schools of nearby villages.

Damaged transformer

We, the residents of Wadwan Budgam are without electricity for last 23 days. The locally installed transformer was taken for repair after minor damage but has not been mended till date. Whole area is without electricity and nobody cares. We appeal to the Power Minister to look into the matter and spare us from further power woes.

Provide service

We, the residents of Gogjigund Ganderbal are facing problems due to the non-availability of bus service from here. Our locality is about 12 kms away from the Ganderbal town. In absence of any bus service we are forced to

foot the distance which creates problems for everyone. We have many times approached Transport officials in Ganderbal but nothing happened. We appeal to the RTO Kashmir to get our problem solved by starting a bus service on this route.

Continuation sheet

We, the students of GMC Srinagar face a lot of problems during our university examination because we are not provided with continuation sheets. We appeal to the concerned department of Kashmir University to have a look into the matter and provide us continuation sheets during our examination.
