

JK to have Rashtriya Kishore Swasthya Karyakram under NRHM

ARVIND SHARMA

Jammu, July 13: Jammu and Kashmir will soon have Rashtriya Kishore Swasthya Karyakram (RKSK) which will cover 22 per cent of the state's population in the age group of 10 to 19 years to take care of the nutrition, mental health, sexual education, suicidal tendencies, besides addressing other health related issues confronting the adolescents through various programmes.

"The proposal regarding the RKSK Programme has been submitted to the Govern-

ment of India along with the annual plan", sources in the health department said.

"The approval is expected within days," they added.

They said that the programme will cover all the children of the state in the age group of 10 to 19 years, whether school going or not, whether married or unmarried. "We will take care of their nutritional level through regular counseling and organizing weekly programme of Supplementation of Iron and Folic Acid", they said adding, "It will be done through community inter-

vention and by involving teachers also".

They also informed that under the programme, Adolescent Friendly Health Clinics will also be opened in each district hospital of the state where the experts will provide counseling to the adolescents regarding menstrual hygiene, sexual and reproductive health to prepare them for better parenthood besides educating them about the ill effects of tobacco and drugs.

"This is the most active group having suicidal tendencies, violent nature and is also accident and injury

prone", they said and added, "The adolescents will also be given psychological treatment so that they don't develop suicidal tendencies and violent nature and also don't get drug addicted.

They will be given counseling to give up sedentary lifestyle, how to avoid non-communicable diseases and to adopt healthy lifestyle".

They said that per 1000 population, 4 peer educators will be trained to further educate and aware their fellows regarding various health related issues of the adolescents. "This will be done at

the school level and through community involvement as the adolescents can easily share their problems within their own age group", they informed.

Mission Director NRHM, Dr Yashpal Sharma said, "The proposal regarding RKSK under NRHM has been forwarded to GoI along with the annual plan".

He said that the approval is expected within days.

He also said that the programme will be implemented with the help of Health Department and Social Welfare Department.

'For Omar, IIT and IIMs was a terrible idea': PDP

No restrictions in our period: Karra

Srinagar, July 13: Senior PDP leader and Member of Parliament, Tariq Hameed Karra, Sunday, said the National Conference began its long game of political trade-offs with the blood of martyrs of July 13, 1931.

Addressing a gathering at the Martyr's graveyard, he said "The restrictions, hartal and imprisonment of separatist leaders along with rest of the city is a grim reminder of the treachery that NC practiced against the people of Kashmir."

On Chief Minister Omar Abdullah's recent statement that why PDP was silent over no IIT for Kashmir, Karra said: "Chief Minister has only a one month back opposed establishment of IITs and IIMs in every state as a 'terrible idea'."

Quoting the Chief Minister's tweet on June 9, 2014: "IITs and IIMs in every state is a terrible idea and will dilute these institutions", Karra said Omar must explain his objections to the proposal in the light of announcements of an IIT for Jammu, and not try to mislead the people of Kashmir again who are aware of the PDP's performance as against the NC's dominance of political scene. "But it is a sign of changing times if Omar expects us to bring an IIT to Kashmir and we assure that we won't disappoint our people" he added.

Recalling the observance of Martyr's day during the tenure of PDP led coalition, Karra said no restrictions were imposed during that period. "Everyone was free to participate and pay homage to our national heroes," he said.

Day-long sit-in by Habba Kadal youth

Demand arrest of driver who hit youngster in Sonwar

MUDASIR YAQOOB

Srinagar, July 13: Scores of youth Sunday staged a day long sit-in protest at main Chowk Habba Kadal, demanding arrest of driver who they allege was responsible for hitting local youth, resulting in his on spot death.

They alleged that police is not taking any action to nab the accused person.

Adil Ahmad Shaksaz of Habba Kadal was hit by a vehicle at Sonwar on Saturday around 2 pm.

Quoting eye witnesses, they said that Adil was returning from GB Pant hospital after visiting some ailing patient there. "He was on bike and was driving on his track with low speed. A vehicle coming from wrong side hit him, resulting his on spot death," they said, quoting eye witnesses.

"Police can see the footage of CCTV which is installed in Sonwar, a place where accident took place. We fail to understand why police is not taking advantage of various options which could lead to a major breakthrough," they said.

Protestors dispersed after officials from police station Ram Munshibagh assured them that the accused would be nabbed within 24 hours.

Meanwhile, Ajaz Ahmad Marazi, a youth said that Adil was a brother of three sisters, and was the sole bread earner. "He took over the responsibilities of family as his father was not in good health," he said.

He added that Adil was earning to feed his family and to get her sisters married.

"Police is saying that preliminary investigations suggest that it was Sumo of maroon colour," said a police official, privy to investigation. He said that SHO Ram Munshi Bagh himself on Saturday rushed to spot after the accident. "He went upto Pampore in an effort to nab the accused (vehicle). He also communicated the message to other police stations asking them to arrest accused, if found in their jurisdictions," he added.

He said that three police teams have been deputed to arrest the accused. "One team is visiting different sumo yards, another is deputed to check CCTV footage and third one has been sent to Islamabad district," he added.

SHO police station Ram Munshi Bagh, Subzar Ahmad said that vehicle has claimed the human life. "All possible efforts are on to solve the case and nab the accused. We assure strict action under law would be taken," he said.

APPEAL

DONATE TO HELP POOR AND NEEDY

SKIMS appeal all philanthropists, civil society members and respectable citizens of the State to contribute towards SKIMS ENDOWMENT FUND created & approved by governing body SKIMS vide no. 779-GAD of 2010, Dated: 06-07-2010, under which financial assistance is provided to poor patients who are suffering from life threatening diseases such as cancer, advances heart problems, kidney, liver transplantation and other poor patients who need immediate financial help for medical diseases. One hundred sixteen (116) patients have received financial assistance. We request all to contribute generously towards this fund to help poor patients who suffer from life threatening diseases and support us to save precious life. You may deposit/credit the money (Zakat, Sadqat) in the account number SB-15060 J&K Bank, SKIMS Soura.

The Govt. of Jammu & Kashmir facilitate sufficient funds for carrying out the smooth patient care services but still there are over 50% of the population in the State below poverty line and are unable to manage specialized treatment. To provide financial assistance to such people living below poverty line and falling under the low income group, SKIMS has created this fund to help poor and needy.

The poor fund scheme does exist in other tertiary hospitals of the country. The account will be audited from time to time.
