In the top-100 all India ranks of general category, six students have secured positions and out of these six, two students are from regular classroom and four from distance learning programs, the institute in a statement said. In top-200 of General Category 18 students have been declared successful (9 each from classroom and distance learning programs); in top-500 ranks 45 students (22 from classroom and 23 from distance learning programs) and in top-1000 ranks 97 students (47 from classroom and 50 from distance learning programs) have secured positions. Last year in JEE (Main) 2013 a total of 15240 students were declared successful from Resonance which was highest number of selections in the country from any single institute.

27 years on, Process Servers of E&T await revised scale

MUDASIR YAQOOB

Srinagar, July 13: Process Servers (PSs) of Excise and Taxation department have appealed the government to revise their pay scales to which "we are entitled to." The PSs said that despite their pleas to the government from time to time in this regard, "we have been subjected to discriminatory treatment, while our counterparts in courts have got the benefit of the revised payscales." "The revised pay scales of 1987 had put us in the scale of Rs 800-1500 from Rs 410-700 along with other categories of employees including Head Exercise Guard and Head Armed Guard," a delegation of aggrieved employees said.

They said: "The department framed the Recruitment Rules in 1991 wherein a gross mistake was committed. Instead of putting us in grade Rs 800-1500 along with Head Guards, we were put in a lower grade of Rs 745-1025." "The Process Servers working in judiciary have been accorded the new scales," they said. They said that Process Servers in Judicial Department are currently working on the grade of Rs 4440-1400-7440. They said that they have been perusing their grievance and demand for last 15 years "But our pleas have fallen flat on deaf ears. "Our file is lying with the Finance Department under file number ET/Estt/150-2010 without any headway," they lamented.

The process servers said that they had submitted a memorandum to the Chief Minister Omar Abdullah some time ago. "Yet no relief has been granted

If the process servers in the court, who are similarly circumstanced with us have been given higher scale, how can we be denied the similar treatment

It is not just about the pay anomaly which the government needs to remove. It is also about giving us a differential treatment which is against law

to us," they added.

They demanded that the government should remove the pay anomaly "which is causing us great financial loss."

"If the process servers in the court, who are similarly circumstanced with us have been given higher scale, how can we be denied the similar treatment," they asked.

"It is not just about the

Flyers duty free allowance of cigarettes, cigars halved

New Delhi, July 13: In another step against smoking, the government has reduced by 50 per cent the duty free allowance of cigarettes to 100 sticks and 25 cigars in airports.

The decision comes barely a day after Union Finance Minister Arun Jaitley proposed 'sin tax' and announced increase in excise duty on cigarettes in the range of 11 to 72 per cent.

According to the recently notified Baggage (Amendment) Rules, 2014, passengers arriving from abroad to any Indian airport will now be entitled to bring into the country 100 cigarettes, 50 cigars or 125 grams of tobacco without payment of customs duty.

However, there has been no change in the limit of bringing two litres of liquor or wine by a passenger. PTI
