

#### Sikh body concerned over Gaza killings

Int'l community's silence criminal: Raina

Srinagar, July 22: Expressing concern over the bombing of civilians in Gaza strip by Israeli forces, All Parties Sikh Coordination Committee (APSCC) has asked the world community to step in and stop further killing of innocents in the area

In a statement, APSCC Chairman Jagmohan Singh Raina said that peace should be restored in the area at the earliest. "It is the responsibility of United Nations peace keeping force and non-aligned countries to strive for peace in Gaza,' said Raina.

The APSCC Chairman said Parliament should condemn the Israeli aggression tooth and nail so that some diplomatic pressure is build upon the Israeli government. "Pressure from different quarters would force Israel to stop bombing in the civilian areas. People of Kashmir are very much concerned as children and women are also being killed in the war like situation," Raina said.

"When world community has preferred to keep silence over the situation in Gaza, Kashmiris have stood up against the aggression. The cruel silence of Saudi Arabia and international Islamic organizations is hurting badly," said APSCC chairman. Raina asked the people of Kashmir to remain vigilant and not allow any anti social elements to take refuge in the garb of agitation which costs in the loss of young lives.

#### **Establish** paediatric hospitals in north, south Kashmir: DAK

**GK NEWS NETWORK** 

Srinagar July 22: Stating that government's plan to construct another paediatric hospital in Srinagar makes no sense, Doctors Association Kashmir (DAK) today said it is the lack of tertiary care paediatric facilities in peripheries that leads to fatalities of infants.

In a statement, DAK president Dr Nisar ul Hassan said government should establish tertiary care paediatric hospitals in North and South Kashmir to save precious human lives and lessen the burden on GB Pant hospital, the only tertiary care paediatric centre in Kashmir.

"Most of the babies, referred from peripheral hospitals to GB Pant are critically sick and it is the timely intervention that can save these fragile infants. The fatalities of critically sick neonates are compounded by lack of Mobile Critical Care Ambulances," he added.

"Government is spending public money lavishly on luxuries of its functionaries which is outrageous as it is at the cost of human lives. Dr Nisar said.

The poor health care in valley is the outcome of wrong practices by government of which infants are victims, he further said.

#### **Students** seek CM's intervention

Srinagar, July 22: A group of 6th semester polytechnic students on Tuesday appealed Chief Minister Omar Abdullah to pass directions to the Technical Board to conduct re-examination of their 'Industrial Management' paper.

They said that they couldn't appear in the examination on July 15 due to protests at Sangrama, Sopore. "We also approached Secretary Technical Board to conduct re-examination of the paper but he pleaded his helplessness," they said. adding, "We have pinned all hopes now on Chief Minister's office.

They also sought intervention of Technical Education Minister and Secretary Technical Education and Youth Services, Khurshid Ahmad Shah in the matter.
