Dashnami Akhara hosts Chhari Pujan

GK NEWS NETWORK

Srinagar, Aug 1: Chhari-Pujan was performed at Dashnami Akhara on Friday with religious fervor and gaiety under the supervision of Shri Mahant Dependra Giri Ji, an official handout said.

The Chhari-Pujan is an age old tradition which is performed every year at Dashnami Akhara temple on the day of Nag Panchami, it added. "Large numbers of Sadhus, devotees, besides Shri Amarnathji pilgrims participated in the special prayers and had darshan of holy Mace of Lord Shiva. The devotees also observed Bhajan-Keertan on the occasion," the handout said.

"The journey of Chhari-Mubarak will commence on Wednesday August 6th, 2014 to the Holy Shrine of Swami Amarnathji at 08:00 hours from Dashnami Akhara, Srinagar under the supervision of Mahant Dependra Giri Ji along with hundreds of Sadhus who would halt for the night at Pahalgam," it added.

"En-route to Pahalgam, Chhari Pujan would also be performed at Durga Nag, Sureshwar Temple (Behind Hotel Shangrila) Srinagar, Shiv Temple Pampore, Shiv Temple Bijbe-

hara, Martand-Tirth Mattan and Ganesh Temple across river Lidder, Ganeshbal."

Subsequently, the Chhari-Mubarak would make night halts at Chandanwari on August 7th, at Sheshnag on August 8th and on August 9th at Panchtarani.

"On August 10th, 2014, the day of Raksha-Bandhan (Sharan-Purnimashi), the (Holy Mace) Chhari-Mubarak would proceed from Panchtarani for the Holy Cave for Pujan at 05:00 hours where traditional rituals shall be performed and prayers shall be offered the whole day at the Cave and before dusk, the Chhari-Mubarak would leave for

night halt at Panchtarani," the handout said.

Afterwards the Chhari-Mubarak would leave at 0700 hours for night halt at Pahalgam where 'Pujan' & 'Visarjan' ceremonies shall be performed at 09:15 hours on the bank of river Lidder on Dvitiya August 12th, 2014.

Thereafter, traditional 'Kari-Pakoaura' Bhandara would be organized for Sadhus and with this, the annual pilgrimage of Swami Amarnathji-2014 would be culminated and the Chhari-Mubarak would return to its abode in Srinagar, the official handout said.

Hamza Colony cries Master Plan violations

GK CITY REPORTER

Srinagar, Aug 1: In flagrant violation of Master Plan, a medical clinic in Hamza Colony, Bemina, has come up in the residential colony, the locals complained.

"While the clinic is presently expanding its area by further illegal construction, the authorities bound to stop it are looking the other way," the locals said.

The residents alleged that the clinic, a commercial establishment, was constructed without building permission. "With the authorities keeping silent to the flagrant violation of the Master Plan the clinic is now being expanded further," they said.

They alleged that the "landlord enjoys proximity with some politicians in the government and is therefore evading any action from the authorities."

"The height is that the construction was even continued on the day of Eid so that it is completed immediately," they said.

"The Srinagar Municipal Corporation and the Housing Board too has not taken any action against the illegal construction though it's taking place at a stone's throw from the office of Chief Town Planner," they said.

They appealed the District Development Commissioner Farooq Ahmed Shah and the SMC Commissioner Dr GN Qasba to personally look into the matter.

Illegal constructions mushroom around NIT Institute decries LAWDA inaction

GK NEWS NETWORK

Srinagar, Aug 1: National Institute of Technology Hazratbal has decried inaction of authorities over allegedly illegal constructions going around the NIT and sought intervention of senior officials into the matter.

NIT officials said they had many times taken up the matter of ongoing illegal constructions on eastern side of its campus with the Lakes and Waterways Development Authority (LAWDA).

"The recent negligence of LAWDA is the ongoing construction of Tehsil Office building near the main gate of the NIT on the west and construction of a number of houses and huts on the east side of the

campus right on the banks of Dal lake by some inhabitants of Dhoobi Ghat," said an NIT official wishing anonymity.

"Though the NIT officials reported these illegal constructions before the authorities of LAWDA and SMC through its Estates Engineer, nothing was done to put an end to these irregularities or to stop these illegal constructions till date," he said.

Official said the NIT complex spread over 64 acres is facing difficulties in raising the structures as most of the campus falls within the LAWDA restriction of 200 meters.

"This has hampered growth of the Institute in terms of construction of hostels, classrooms, new laboratories and departments, however on the other hand the

Over 60 Kanals of NIT's land is under occupation of some residents around the campus which include 18 kanals on the eastern side of institute near Dhoobi Ghat. In 1973, NIT had even deposited a hefty amount with the State Government as compensation to relocate these residents, but nothing has been done so far."

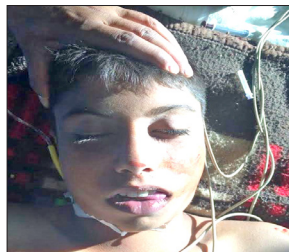

private constructions are coming up just on the banks of

Dal lake without any restrictions," they said.

"Over 60 Kanals of NIT's land is under occupation of some residents around the campus which include 18 kanals on the eastern side of institute near Dhoobi Ghat. NIT had even deposited a hefty amount with the State Government as compensation to relocate these residents in 1973, but nothing has been done so far in this regard. We appeal the DDC, Srinagar Farooq Ahmed Shah to look into the matter," they said.

When contacted a senior LAWDA official assured to look into the matter. "We will sent our enforcement team to the spot and take action accordingly," the official told *Greater Kashmir*.

2 bathers die by drowning near Solina Bund

GK NEWS NETWORK

Srinagar, Aug 1: Two unidentified boys drowned in flood spill channel near Solina Bund while bathing Friday afternoon, police said.

It said the bodies were retrieved and both of them were

shifted to hospital but doctors declared them brought dead.

"Anybody having any information regarding the whereabouts of the boys may please inform police station Saddar Srinagar on 9419007083 or Police Control Room, Kashmir on Dial 100," the police handout said.

Omar sanctions ₹1 lakh relief for deceased boatman's family

Srinagar, Aug 1: Chief Minister Omar Abdullah has sanctioned relief of Rs 1 lakh in favor of the family of Abid Ahmad Dar, a Shikarawala who two days ago died in an accident near the Boulevard when a vehicle fell over his Shikara in Dal lake, an official handout Friday said.

"Senior National Conference leader Muhammad Sayeed Akhoun met the Chief Minister in this regard and discussed the issue. He also discussed various development matters pertaining

to Srinagar, particularly Hazratbal constituency," the handout said.

On July 30, the boatman died when a speeding car lost control and crashed straight into the Dal lake near Shikara Ghat.

Witnesses alleged that the driver was drunk while police is tight-lipped on the issue. The accident triggered protests against liquor shops and bars operational along the Boulevard with protesters demanding immediate closure of such outlets.

We the **SRINAGARITES**

Of the Boulevard accident and boozing

THE other day a boatman died when allegedly drunk driver lost control on his vehicle and landed straight on the Dal lake Shikara Ghat.

It is disappointing, disheartening and really shocking news that many people especially

youth are allegedly involved in alcohol intake in Srinagar City. Liquor consumption is a serious social evil, which makes individual as well as society hollow in every aspect especially morally and spiritually.

It is the collective respon-

sibility of all the civil society groups and NGOs to raise the voice against this social evil.

Let Mirwaiz Dr Umar Farooq and other scholars raise the issue in Masjids to make people aware about this social evil and its consequences.

If this problem isn't nipped in the bud, it will soon get totally out of hand. And it will take a dangerous course.
