This certificate is only used to confirm 4PX has received and transit the customers shipment. The final details will be uploaded to our website at [express.4px.com](http://express.4px.com) within the date of posting. Please ensure the mail bag contents matched with receiving sheet and the information submitted through 4px website.

(a) Item value declared for customs clearance may be used for assessing compensation value (if applicable)

(b) Please refer to 4PX insurance specification.
