1. Make sure you don't get on the wrong bus

Check the destination display on the bus and also ask the driver, as we have many services going from Central London to various airports.

2. Print and take this ticket with you

Your driver will need to see your ticket in order to allow you on the bus, without a printed ticket you could be denied entry to the bus.

3. Please arrive at least 10 minutes before your bus is due to depart

So you don't miss the bus or delay it, due to the time taken to board.

4. Only board at the official pick-up points

Buses can only pick up and drop off passengers at official points.

5. A seat is guaranteed only for the time you have booked

You may use the same ticket at no extra cost to travel on the next available bus, up to 60 minutes on either side of your booked time. However, we cannot guarantee that there will be spare seats on the buses.

6. Check for the latest travel information

Call 0844 745 2053 to check for traffic problems on your day of travel, as we don't want you to miss your flight.

7. Check your luggage allowance at easyBus.co.uk

One piece of hand luggage and one bag can be checked in, however dimensions and weight allowances vary per route. Please check on easyBus.co.uk before packing. You may have to travel on a later bus if your luggage is over the allowed limit.

8. Please remember

The consumption of food or drink on the bus is strictly forbidden. We wish to keep the buses clean for all our customers. And finally, please check that you have all your personal belongings with you when you leave the bus. Any person who travels on an easyBus Service shall be considered to have agreed to be carried on the terms of our Conditions of Carriage, details found on easyBus.co.uk
